THOUGH St Mary's can be pleased at running in five tries, Clontarf for long periods made them look vulnerable. On at least two occasions straight running from Mickie Fitzsimons and Ken Tierney sliced clean through the St Mary's close cover. But for better support play, and place kicking, Clontarf would have got a lot closer. Their pack, inspired by Robbie Foley and solid play from Kenny Lawless and Fitzsimons, could bring success in Division Two.

St Mary's led 6-3 when Brent Pope scored from a Clontarf put-in right on their line. Fitzsimons replied for Clontarf before Johnny Kennedy, Kevin Devlin, Aidan White and Ray Hernan all scored for St Mary's. Fitzsimons scored again for Clontarf before Philip Quinn got their final touch-down. Aidan White kicked two penalties and converted two scores while Fitzsimons and Mattie Smith shared Clontarf's points from the boot.
