● **New South Wales** said yesterday they would challenge the penalty imposed on them for refusing to play their Super 10 match in South Africa next week.

The Australians refused to travel to the troubled Natal province because of fears for their players' safety while the state of emergency was still in force there. Super 10 organisers responded by awarding the four points at stake to the South Africans.

With nothing at stake except pride. St Mary's and Shannon served up a lively encounter in the final game of the Insurance Corporation League Division One

It took a try after 18 minutes from Mary's full back Gary Halpin to kick the game into life but from then on the large crowd were served up a feast of entertaining rugby. with the home side winning 22-18.

The Limerick side took the lead on the half hour when Billy O'Shea jinked over for a try in the corner. But Mary's powered ahead in the second half with tries from Tony Gilen and Conrad Burke.
