

# Junior Rugby — Results & Round-up

**T**WO finals in three days, and two defeats for Lansdowne. Following last Saturday's defeat in the J1 League Final to Terenure, Lansdowne's thirds lost out on Monday 7-3 to St Mary's at Donnybrook.

It was a game where the losers fared much better at the lineout but were unable to turn the possession into scores. They had just two attempts on goal in the first period, one of them two yards inside their own half, and Brian Roberts missed both. With five minutes to go to the break, Mary's full back Steve Hennessy put his side ahead with a good penalty.

Roberts levelled the scores 10 minutes into the second half and it remained that way until Mary's captain and scrumhalf, John Muldoon, broke

blind from a scrum close in and got the deciding score.

But if things were not going Lansdowne's way, it was, all things considered, a good weekend for Terenure. While their seconds were clinching the league title, their thirds made their way into the semifinal of the O'Connell Cup with a 13-9 win over UCD. Outhalf Paul Cullen provided most of the points with three penalty goals and the try came from Gerry Pate. They will now face Old Wesley who beat UCD Freshers 14-0 two weeks ago. And the Terenure junior 3s have qualified for the quarter finals of the Moran Cup with a comfortable 36-6 win over neighbours CYM. Mark Bagnall converted all six tries.

At junior 4 level, Blackrock have now scored 79 points in getting

through their two first round matches against UCD Freshers and Parkmore. They hit the latter for 49 on Monday and the penalty scored against them in that match is the only score they have conceded in the cup.

Rock's junior 6 team were not so fortunate in who they drew in the Fox Cup. They were beaten at home by Greystones, 4-3. Clontarf were also beaten at home in the same competition by a DLSP side for whom Conor Agnew, a senior cup medal winner with Trinity in the '70s, brought some light to the proceedings with two perfectly taken drop goals.

It's a long time since Agnew graced the scene at senior level. He obviously hasn't lost it. That result puts DLSP into the quarter finals.
